

Appl. No. 10/572,908
In re Rose, K.

REMARKS/ARGUMENTS

The Examiner is thanked for the Advisory Action Before the Filing of an Appeal Brief dated February 14, 2011. This amendment is intended to place the application in better form for consideration on Appeal.

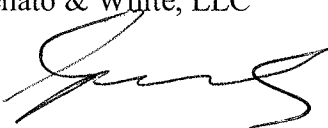

Specification has been amended to correct minor informalities. No new matter has been entered.

Claim 8 has been amended to replace the limitation "said pressure vessel" (which has no antecedent basis in claims 1 and/or 8) with "said at least one hydraulic fluid accumulator". Support for this amendment could be found on page 9, lines 2-10 and 14-22; and claim 1. No new matter has been entered. It is respectfully submitted that these amendments are not intended to affect the substantive scope of the claims.

Should the Examiners believe additional discussion would advance the prosecution of the instant application, they are invited to contact the undersigned at the local telephone number listed.

Respectfully submitted:
